

# Sheppee International Press Release

## Cross Conveyor Update

### June 2013

### Heat Shields now included as standard on the Cross Conveyor

Supplied with an inner and outer shield the heat shield provides additional protection to the Cross Conveyor beam from the Lehr oven heat.

The shields will be supplied as standard with every conveyor supplied by Sheppee. The number of shields required is equal to the number of dead plates on the unit.

**Part Number**  
CCA/1168

**Price**  
£96.60 each at list

Due to this addition the standard price of the Cross Conveyor will increase on all orders quoted after 1<sup>st</sup> July 2013. Please contact the sales team for further information, [sales@sheppee.com](mailto:sales@sheppee.com).
