

Sheppee International Press Release

Cross Conveyor Recommended Spares

July 2013

Cross Conveyor Recommended Spares updated

Due to a Technical update a number of parts within the Standard Cross Conveyor have changed on the newer machines. Therefore when requesting a quote or placing an order for replacement parts it is advised that the Conveyor serial number and factory they are for is supplied so we can issue the correct parts.

Item	Old Part Number	New Part Number
Idle Sprocket Assembly	CCA/1150-FEV	CCA/1167
Gear Reducer	C281-060	C287-005
Bearing	C315-6206HT	C363-M020-SFT-MS44
Synthetic Oil	C611-011-1.3	Not required
